

YOUR OFFICIAL YOGA RETREAT GUIDE

Sanctuary Retreat is an accredited Eco-lodge set in the heart of lush tropical rainforest at Mission Beach, North Queensland.

With over 50 acres of wet tropical rainforest, Sanctuary is classified as 'Critical Cassowary Habitat'. The rainforests at Mission Beach provide one of the last refuges for the endangered Southern Cassowary and many other rare and endangered species of flora and fauna found nowhere else on earth. Sanctuary has been awarded advanced eco-tourism accreditation as more than 95% of Sanctuary is dedicated in perpetuity to cassowary habitat & rainforest conservation. We are located at Mission Beach in North Queensland halfway between Cairns and Townsville. Sanctuary sits high on a ridge, looking over Brookes beach, one of the most northern bays of Mission Beach, giving stunning views and catching cool breezes from the Coral Sea. There is a beautiful 10 minute forest walking trail which connects Sanctuary to the car park, secluded Brookes beach and the outside world.

ACCOMMODATION YOGA RETREATS & ECO-LODGE

RAINFOREST HUTS

If your chosen accommodation style is Rainforest Hut, you will find it of minimalist design maximising the sights, sounds and smells of the rainforest. There is a small verandah and access to natural drinking water, while all bathrooms are shared in the Longhouse. All linen, blankets and towels are provided. The communal self-catering kitchen is also located in the Longhouse.

RAINFOREST HUTS WITH ALFRESCO ENSUITES

Elegant and rustic at the same time, an outside ensuite offers a convenient addition to the Rainforest Hut. A simple deck extends from the hut, while privacy is created by the natural foliage of the forest (as well as privacy curtains where required). Gravity fed with fresh, cold water collected onsite, the ensuites' are appointed with a stylish and quality shower, toilet and basin.
